Friday 28th June 2019

Dear Prep S Parents,

As you know, Mrs Stephanie Susanj commenced family leave recently. We are delighted to announce that Miss Brianna Pellow has now been employed as the Home Group Teacher for Prep S for the remainder of the 2019 school year. Miss Pellow has spent much of this week in the learning space getting to know the staff and students and is looking forward to joining our school community.

As always, the students in Prep S, Prep M and Prep W will also continue to be supported by Miss McVean and Miss Worthington under our co-teaching model to ensure there is no interruption to the teaching and learning program.

I would encourage all parents to welcome Miss Pellow. All Prep S parents will also be offered the opportunity to meet with Miss Pellow early next term through Parent Teacher Interviews and discuss your child's learning progress. More details regarding these interviews will be sent home at the beginning of Term 3.

Thank you

Kind regards,

Mr Garry Rolfe
Principal
