Cranbourne East Primary School

School Athletics Carnival Years 5 & 6, 2017

Dear Parents,

As a part of our School Physical Education program we are involving students in Years 5-6 in an Athletics Carnival. All students will have an opportunity to participate in events throughout the day in a safe and fun environment.

The Athletics Carnival for Years 5-6 will be held on Friday the 25th of February at Casey Fields Athletics Track for the whole day. The day will cost $5.00 per student to cover seat belted buses, venue and hire of athletics equipment. Students will be required to wear appropriate clothing in house colours if possible (shorts, T-shirt, jumper, tracksuit pants etc.) and runners. Clothing needs to be sun-smart appropriate (i.e. no singlet tops) and all students will need to wear a hat. There will be no canteen facility at the venue so students also need to bring their own lunch, snacks and sufficient water. Students also need to ensure they bring their asthma puffer if they require them.
