Dietary Requirements

Year 5 Phillip Island Camp

Dear Parents,

In order to help us cater for the individual students attending camp, we are asking that parents inform us if their child has a specific dietary requirement. We already have information about food allergies but want to ensure that we are sensitive to different student's cultural and religious beliefs. For example some students may be vegetarian or might not eat particular meats. If this applies to your child, please fill in the form below and send it back to your child's home group teacher as soon as possible. Please do not fill in the form to inform us of your child's personal food preferences. For example, "my child does not like pumpkin". Only fill it in for special dietary requirements.
