FROM THE PRINCIPAL'S DESK

Well Term 4 is well and truly underway! This week our Year 4 students have been participating in their swimming program at Casey Race, having a wonderful time and learning some valuable water safety skills along the way. Our Year 1 students commence their swimming program next week so we're looking forward to their feedback.

Yesterday our Foundation students were lucky enough to be in the audience for their Little Mermaid fairytale production visit. The show was a great success and highly engaging for all the students. A big thank you to all the parents that came along to support this activity – I'm sure it'll make for some rich discussions around the dining table at home! Another big thank you must go to the Prep teachers for all the hard work and planning they put into organising this activity.

We also ran our SIDS and Kids Clothing Drive fundraiser yesterday, which was very well supported by our students and school community. I happened to be present when one of our school mums dropped off over 10 bags of clothing alone! Last year we collected just over 1 tonne of clothing so we're looking forward to seeing if we can beat that this year. I would like to thank our Parents Association and in particular Roz Coles, for driving this event. The work our Parents Association does for the school is amazing and very much appreciated.

The school is in the process of confirming our planning for the 2017 school year so we ask all parents to contact the office as soon as possible if you are planning on enrolling new students or transferring to another school. Having an accurate enrolment figure allows us to effectively plan for the resources we will need at the school, including staffing. We will also be running our first 2017 Prep Transition Session next week on 20th October so if you've yet to enroll your children to start school next year, or you know of any friends or family in this situation, please direct all enrolment enquiries to the office as soon as you can.

Finally, a reminder that while we haven't exactly had the warmest weather so far this term, it is a requirement that all students wear their school hats during Term 4 while outside. Please ensure your child has a Cranbourne East Primary School hat to wear during recess and lunch breaks as well as outdoor sporting lessons and activities. Caps and non-school hats are not permitted.

Remember to read with your child every night!

Kind regards,
Michelle Wrigley (Acting Principal) and Staff

How to build Resilience in young people

Resilience is the happy knack of being able to bungee jump through life. When the pitfalls and difficult times do happen your child will have the skills to cope with them. Here are some ideas to promote resilience:

1. Try to promote a sense of family life so your children feel they belong to the family and they feel their opinions are listened to.
2. Have positive and reasonably high expectations for your children.
3. Provide them with opportunities for meaningful participation in age appropriate responsibilities.
4. Protect children from feeling they have to grow up too quickly, by maintaining family rules. Children do not anticipate risks in that same way as adults do.
5. Try to keep their friendship groups as wide and diverse as possible.
6. Encourage them to belong to at least one club, sport or other interest group.
7. If possible link them up with a caring trustworthy adult from outside the family.
8. Maintain family celebrations.
9. Try to encourage a sense of curiosity and spontaneity about life.
10. Most importantly nourish your own resilience and wellbeing so that you can show them how to live life.
