FROM THE PRINCIPAL'S DESK

Hi everyone,

We have had many exciting events happening within the school the past few weeks. Last Monday and Wednesday our Year 1 students headed off to Taskworks in Mulgrave. As part of the experience they participated in a range of hands on problem solving games which encouraged working together as a team. Our students were commended on their participation, attitude and over all behaviour on the day. It was a wonderful experience for all involved!

Tomorrow our Year 6 students will participate in Lightening Prem. This involves various schools and students from around our area coming together for a range of sporting activities. Our students and teachers have been working hard to prepare for this event. The sports included are football, soccer, volleyball, netball and t-ball. Some students will head off to other schools to compete while we will host the football event. We wish our year 6 students competing all the best.

Next week our Year 5 students will be involved in the Phillip Island Adventure Camp. The camp is situated on 80 acres of landscaped grounds in the heart of Phillip Island. Students will participate in a range of adventure activities including high ropes course, flying foxes, giant swing as well as other activities. We know all of our students will have a wonderful experience. Thank you to our teaching staff and parents involved for providing such a great opportunity.

We would also like to acknowledge and congratulate one of our students Flynn Wood on his selection into the School Sports Victoria 12 and under AFL team. Flynn will be heading to Darwin to compete in the near future. Well done Flynn on an amazing effort and we wish you all the best!

Remember to encourage your child to read every night.

Enjoy a wonderful week.

Kind regards Garry & Staff

Motov8ing people to stay on track

Motov8ing Boys is coming to Casey/Cardinia for grade 6 boys and their parents.

It's called Motov8ing Boys and it's on for 2 nights in **July, Mon 3rd** and **Tue 4th** from **7-9pm** and it's at the Balla Balla Community centre in Cranbourne. We've planned it for these dates as it's the school holidays and run it over 2 nights to create options for busy parents.

Motov8ing boys is about motorcycles and motivation but it's really about helping boys to make smarter more informed decisions in every day life. It's about inspiring and challenging them to develop their social and emotional intelligence so that they become excited about the potential impact of this for their lives.

To book tickets.

WET WEATHER

Unfortunately, due to the current wet weather conditions our grounds are extremely wet and muddy. As a result, many children have been coming into the building with mud and this has placed a great strain on the limited uniform supply that is housed in the sick bay.

Can we therefore request that you send your child to school with spare clothing in their school bag. Your co-operation with this request may eliminate the school having to contact you during the school day to supply a change of clothes.

LOST PROPERTY

Please check lost property before 9.00am or after 3.15pm, via the door located near First Aid, for any lost items of clothing.

For ease of finding any lost items, please remember to name school uniform items with a permanent marker pen.

<p><u>Payment for Camps / Excursions / Activities</u></p> <p>There is a great deal of behind the scenes preparation and organisation that goes into camps, excursions and activities offered to students by the school. Student permission forms and payments are crucial to this process, therefore it is important that parents are aware of cut off dates and secure a place for students wishing to attend by making payment and returning permission forms by due dates. The school sends a text message to Adult A of your child's enrolment details as a courtesy reminder two days prior to cut off dates. If Adult A's mobile number has changed please notify the office. Failure to make payment by due dates may result in non attendance.</p>			Mrs Rento	Remi S 2E	For always making good choices in our Learning Space.
			Ms Karunathilake	Danica D Prep B	For being resilient and completing all her activities.
			<p><u>Student Sporting Balls and Play Equipment</u></p> <p>We have a number of students bringing their own sports balls and play items to school. Please be aware the school cannot take responsibility for these items if they go missing. Many sports balls end up on the roof. We do retrieve items from the roof, however this only occurs when time permits and it is safe to do so. Due to the weather conditions, it is possible that these balls blow off the roof and are not retrievable. We can only advise that if your child brings items to school that they are clearly named. If a ball is not collected during a roof clean up, it must be considered lost.</p>
