Wednesday 5 th Oct	Division Athletics (Selected Students)
Thursday 6 th October	Yr1 Swimming Payment Due
Friday 7 th October	Dollarmite Banking Commences for Term 4 Prep Alpha Show Payment Due

FROM THE PRINCIPAL'S DESK

Hi Everyone

This morning Roz Coles (School Council President) and I met with Cr Amanda Stapledon from the City of Casey to discuss traffic issues around the school, front of school crossing on Bowyer Ave and development of the Hunt Club Sports Complex adjacent to the school. Cr Stapledon was very receptive to supporting the school including presenting these matters to Council. A short term task is to complete a petition prior to end of term to present to Council regarding the school crossing and traffic flow management in Bowyer Ave.

Don't forget our whole school assembly this Friday commencing 9:30am in the Gym. We take this opportunity to come together as a whole school and invite our school community to share events and achievements during this term. The choir will also perform during the assembly. Take the opportunity to come dressed in your favourite footy team colours as we celebrate end of term footy day. Area levels will be participating in footy day activities during the day concluding the assembly.

Last Thursday, senior school students participated in the Billy Slater Rugby League Division Gala Day at Casey Fields. We entered boy and girl tackle teams. Both sides did very well with the girls winning all 3 games to make it to the Grand Final. The boys also did a sensational job winning 5 games and 1 draw to also progress to the Grand Final. Both Grand Finals were very close with our boys and girls going down by 1 try. Their efforts, attitude and behaviour were excellent for the entire day. They represented the school in the best possible way and we are proud of each and every one of our students. A special thank you to the mums and dads that came out to support and assist throughout the day (look out for the pic in the newsletter).

Please note: I will be taking some long service leave next term and returning to school in the fourth week of term. Michelle Wrigley will be acting Principal and leading the school during this time.

Marine Ambassador Workshop - On Thursday the 8th September one of our Marine Ambassadors attended a 'I Sea I Care' Workshop at the Warneet Reserve and Foreshore. At the reserve, we learnt about the different flora and fauna that are found within the area and the importance of removing weeds that are impacting on the native plantation. Along the Foreshore, we had an Aboriginal heritage walk and learnt about the different fossils that were found in the area. The day was educational and rewarding for both students and adults.

As the end of term draws to a close I take this opportunity to thank our students for their magnificent effort, enthusiasm and achievement during term 3. There have been diverse and wonderful learning opportunities, excitement and fun on a daily basis throughout all levels of the school. A special mention of thanks goes out to all the parents who give up their time to support the learning within the school with reading programs, assisting at events like Father's Day stall, excursions and camps. I also acknowledge and thank the teaching staff, specialists, support staff including office and integration staff for their tireless commitment to ensuring the very best in learning opportunities and support given to our students. Finally I thank the school Leadership team for their support to ensure the school functions at high levels in all respects. Stay safe, rest up and have fun!

From the Welfare Officer

Children need to build strength of character

There are some types of bullying that are serious and potentially dangerous that needs to be dealt with quickly and firmly. But the bullying word gets thrown around a lot now-a-days. The definition of bullying is sustained behaviour against a victim where there is a power imbalance in favour of the perpetrator. It is not teasing and saying mean things, it is not arguing behind each other's back and it is not excluding a child from playing with a particular group. Most of what is being branded as bullying is just kids behaving badly.

Schools have bullying policies and anti-bullying programs with all the best intentions. Schools tell children to look out for one another, to ask a person annoying them to stop and report the problem to a teacher. Children, parents and teachers need to work together to solve the problems. Teachers will take time to investigate the issue, children need to relay a factual message about the problem and parents need to not let their critical thinking be clouded by emotion while expressing their concerns to the school.

When dealing with primary school aged children today's drama is forgotten tomorrow. But most importantly children need to learn to solve their problems: to understand that sometimes people will not treat you nicely and say hurtful things. Children need to build resilience and learn strength of character because they will not always have someone there to resolve the issue for them.

Unfortunately the war on playground spats will never end. There will always be children who will do the wrong thing by another child or group of children. An approach where all involved in a child's life helps that child build resilience instead of concentrating so hard on stamping out what's perceived as bullying, will help children be better people and deal with the hard issues in life.

Donnelly	1250	Donnelly	23324

Health News

KIDS BETTER HEALTH PROGRAM is a FREE healthy lifestyle program for children in the surrounding community running at Casey RACE during Term 4.

The YMCA Kids Better Health program is a fun, interactive 10-week healthy lifestyle program for families. Run by qualified professionals the program includes fun activities about health and nutrition and includes games and activity sessions for kids. Designed for children aged 7 - 13 who are above a healthy weight and their parents/guardians, this program aims to help children build confidence, boost self-esteem and get fit playing fun games. It also helps parents and carers learn new skills for a healthier, happier and more active lifestyle.

Supported by the Better Health Company and the City of Casey and meets all current Australian government guidelines for children and families.

To sign up call 1300 822 953 today.

AN IMPORTANT COMING EVENT
