FROM THE PRINCIPAL'S DESK

Hi Everyone,

Well we've now come to the end of another busy and exciting school term. This evening we welcome our Year 2 students back to school for their Sleepover. A fun night is in store with games, activities, a movie and supper before bed followed by breaky in the morning to kick off the last day of term. I'd like to thank the Year 2 teachers in advance for giving up their own time to stay overnight and for the parent helpers assisting with breakfast and lunch tomorrow. Without this support, events such as these would not be possible. Don't forget your toothbrushes and footy clothes Year 2s!

We are looking forward to celebrating Footy Day tomorrow and seeing everyone in their team colours – I hope to see lots of Hawks! Families are welcome to join us in the gym for assembly and the footy parade at 9:30am.

Parents are reminded that Term 3 Progress Reports will be posted on Compass tomorrow. Don't forget to check out the Compass Calendar while you're logged in to see all the events, activities and special dates planned so far for the remainder of the school year.

Term 4 commences on Monday 5th October at 9am. A reminder that we are a Sun Smart School and all students are required to wear their school hats outside during Term 4.

Finally, on behalf of Mr Rolfe and all the staff, I would like to wish all our students and families a happy and safe holiday period. We are looking forward to seeing lots of smiling faces back at school for our final term in a couple of weeks' time. Don't forget to keep reading over the holidays!

Kind regards,

Michelle Wrigley and Staff

From the Welfare Officer

Parents and Teachers as Partners

Parents and caregivers play a pivotal role in engendering a spirit of curiosity, motivation, desire for learning and self-discipline in their children. Together with parents and caregivers, quality teaching and school leadership are the key determinants for successful learning.

According to teachers there are six rules that if followed will give your child the best chance at a successful and rewarding experience at school. They are:

- Prepare your child for school
- Share the responsibility of your child's education
- Partner with your child's teacher
- Participate in your child's school
- Communication goes two ways
- Support your child's teacher and school

Creating successful teacher and parent relationships is integral in supporting the academic, social and emotional wellbeing of our children. We all have a role in supporting the education outcomes of our children.
