	Prep Swimming Payment Due
Friday 12 th October	Yr 4 Taskworks school visit
Friday 19 th October	First Banking Day for Term 4

FROM THE PRINCIPAL'S DESK

Hi everyone,

Can you believe it's the end of Term 3 already? The year is certainly going quickly!

We have finished up a busy term with more great events this week – our Yr 6 students ran Tabloid Sports for our Prep students earlier this week; a selection of Year 6 students attended Division Athletics with Mr Shaw and Mr Carey where all students involved gave their all and represented our school superbly in both their efforts and behavior – well done to all!; we celebrated Footy Day on Tuesday with a fantastic whole school parade (go Hawks!) and finally, our Year 2 Sleepover here at school. I would like to thank all staff involved for their organization and support of all these activities throughout the term, without which we would not be able to provide such wonderful learning experiences for our students.

Sadly, we will be farewelling two valued members of staff at the end of this term – Mrs Maria Bushe, Office Manager and Miss Lisa Roolker, Assistant Principal. Both Mrs Bushe and Miss Roolker are founding members of the school and have both contributed enormously to the development of the school since our opening in 2011. I would like to take this opportunity to thank Mrs Bushe and Miss Roolker for their hard work and dedication over the last 8 years and wish them both all the very best.

A reminder for all parents of the importance of safe driving and parking practices around the school. Casey Council have recently been enforcing road and parking laws and issuing fines for people not complying. The school has no control over this and cannot provide parents with any assistance with Council-issued fines – any queries regarding this should be directed to Casey Council. Please ensure you drive safely, observe the 40km speed limit and park in accordance with parking signage and laws.

Term 4 commences on Monday 8th October at 9am. School hats must be worn in Term 4 in accordance with our Sun Smart & Uniform policy so please ensure you have your hats ready for day 1. All students must also ensure they are in full school uniform. Non-uniform items can be worn for up to two days if accompanied by a parent note. If any parents are experiencing difficulty with uniform, please contact the school for support.

I would like to wish all our students and staff a happy and safe holiday period. Enjoy some well-deserved rest and I look forward to see you all again in Term 4.

Kind regards,
Michelle Wrigley
Acting Principal

From the Wellbeing Officer

Children Getting Along

Watching our kids play or work cooperatively with others is a reassuring sign of healthy social-emotional development.

When little kids get together and play and share harmoniously (even if it only lasts a short time), much positive learning can happen. As adults - now that we've done our childhood growing and developing - most of us realise how beneficial it can be in life to get along, cooperate, and fit in. The ability to get along with others is one of the keys to healthy social and emotional development.

But kids are kids, and there will undoubtedly be times when they won't want to know about cooperation, helping, sharing or even being nice. That's ok too. It's all part of discovering who they are as individuals and how far they can push boundaries and buttons. For kids, getting along means:

- working and playing together cooperatively and respectfully
- being friendly, telling the truth, and caring about others
- being able to fix problems without arguing or fighting
- following rules at home and school.

Personality traits and temperament can play a part in how little kids relate to each other. Slow-to-warm up kids are probably not going to be the first cab off the rank when it comes to making friends. Kids who haven't had a lot of practice at sharing might find group play a bit confronting. When social-emotional development is progressing at a healthy rate, kids generally display some of the following behaviours:

- play well with friends
- take turns when playing with others
- understand that rules apply and will take direction from adults
- make an effort to be nice to someone who seems to be upset
- ask nicely to join in a game and accept others who ask to join in their game
- work cooperatively with other kids to achieve an outcome
- share toys and belongings (although not always - no kid is that perfect)
- ask politely for help or assistance
- wait for their turn to talk, rather than interrupting and asking questions.

One of the most effective ways we can teach our kids skills in getting along is being role models ourselves. When children see adults sharing, cooperating, making allowances and following rules they take on board that this is an appropriate way to behave.

Where are YOU on the overdue ladder?

From the Office

2019 Booklist Payments

There's only 6 school weeks left for paying the 2019 Essential Student Item fees. The final payment date is Thursday 15th November. Payments can be made during business hours, over the phone, in person or sent along with your child. If you are experiencing financial hardship, contact should be made with the office prior to 15/11/18 to discuss payment options.

LOST PROPERTY

Please check lost property, located near First Aid, for any lost items of clothing before the end of term.

Cranbourne East Primary School Talent Show Friday 30th November, 2018

We are so excited to announce that Cranbourne East Primary School will be holding our CEPS Talent Show again this year. Bring your talent to the stage! You can sing, dance, do magic tricks or any other special talents.

You can do it individually or in a group. The act cannot be more than 5 minutes.

To take part in the talent show you will need to have your audition approved and filmed by your home group teacher by Friday 2nd November (Week 4). Students will then vote for 3 finalists from each year level by Friday 16th November (Week 6) and the Finale will be held, for students only, in the Gym on Friday the 30th November (Week 8).

Yours Sincerely,

The Student Representative Council, Miss Hampson and Miss Felmingham
