FROM THE PRINCIPAL'S DESK

Hello everyone,

What an exciting and busy term we have had – it's hard to believe we are already half way through 2016!

As you know, this week we have been conducting our Student Led Conferences and Parent Teacher Interviews. I would like to take this opportunity to thank all our students for their hard work in putting together their Portfolios throughout the semester and for the excellent job they have all done in presenting their learning to parents. I would also like to thank all the teachers for the time they have put in supporting the students and staying late at school over the last two evenings. Last but not least, a big thank you to the parents who attended to support their children with their Conference.

As the term draws to an end, we sadly farewell two members of staff. Miss Paula Phillips will be stepping out of the school for the remainder of the year and we wish her all the best and look forward to seeing her back in 2017. Mrs Leanne Hodgson also finishes up at the school today and we would like to thank her for all her work. Leanne has been a valued member of our office administration team for many years and will be sorely missed. We also welcome a number of new staff members – Ms Aroshi Karunathilake (Education Support - Integration) and Ms Amanda Millsum (Office Administration). The school has also been able to employ an additional Literacy Support Specialist, Mrs Jeanette Healy so we can now extend the learning support opportunities for our students.

I would like to remind all parents of the importance of safe driving behaviours, obeying parking signs around the school and request that all parents respect our neighbours and please refrain from parking across driveways or driving up on nature strips. We understand and appreciate the traffic and parking issues around the school, however a little bit of patience goes a long way.

A final reminder about the importance of all students attending school in full school uniform. If a student needs to temporarily wear an alternative clothing item, we request that the clothing is as close to school colours as possible and a note is provided to your child's teacher.

Tomorrow our Student Representative Council have organised a Free Dress Day. Gold coin donations are requested for students wishing to participate, with all monies raised going towards the Starlight Foundation and the purchase of a school defibrillator.

Finally I would like to wish all our students, families and staff a happy and safe school break. We look forward to seeing everyone back in two week's time!

Kind regards,
Michelle Wrigley
Acting Principal

Helping Kids connect across cultures

Ella's Story:

"Would you like to come to my party?" Ella asked Sefra. "It's on Sunday in two weeks."

"Thanks Ella I will ask my parents if I can come" said Sefra.

Sefra wanted to go to Ella's party, but it was at the same time as her weekly language class. Sefra's parents always told her how important it was to keep up her culture and language. Would they let her miss the language class and go to Ella's party instead?

Though she was excited about the party, Sefra also felt nervous. Not everyone who might be going was as good a friend as Ella. Some children in Sefra's class teased her because she didn't look or speak like they did. They stopped when Ella told them not to be mean, but it still hurt.

Sefra hoped the other children at the party would be friendly and play with her.

Being part of two cultures:

Being part of two cultures can get complicated at times. Children may find there are differences in values and expectations. Sometimes there might be difficult choices. When different sets of expectations don't match, it can be hard for children to feel like they fit in. In addition, children who are seen as different are sometimes not respected by others. Being teased or bullied for being different makes fitting in especially difficult.

By working together, schools and families can help children from all cultural backgrounds to understand, respect and appreciate cultural differences. When adults behave in ways that are open and accepting it can help to teach children to respect and embrace cultural differences.

Office News

MESSAGES FOR STUDENTS

If you have a message for your child please ensure you contact the office by 3.00pm.

We ask that parents communicate known special arrangements to students before they arrive at school, to eliminate the need for phoning the school to pass on a message.

SPARE CLOTHING

Due to the weather and unavoidable muddy conditions, we advise parents to place a spare "bottom half" clothing in your child's school bags.

2016 BOOKLISTS

Last week all families received an Information Sheet regarding 2017 Fees and Booklists. We hope to have Booklists distributed to all students in the first week of next term allowing parents 18 weeks for payment. The due date for payments will be Friday 18th November. All payments should be received in full by this date, unless you are experiencing financial hardship and have contacted the school to make special arrangements prior to the due date.
