Cranbourne East Christmas Baskets - A whole school community appeal

Many people take a big family lunch or dinner on Christmas day for granted. However, many people can't afford to have either of these, so this is where the community of Cranbourne East Primary School can assist.

The idea of this program is to make a donation of collected **non-perishable groceries** in the form of hampers, to local families in need this Christmas.

With the assistance of the local Salvation Army and Bunnings we would like to help families in the **community**.

Each Learning Neighbourhood will have a basket assigned to a family. Children are asked to place their donation in the basket. The children will decorate the basket prior to it being collected and delivered to the families.

We are requesting that our school community donate **NON PERISHABLE** food items between now and 8th December to contribute to the Christmas basket. Ideally, goods for the basket could be used for breakfast, lunch, dinner and snacks. So when you do your weekly shopping, start adding an extras can of tinned food, a box of cereal, bag of sweets etc., and put it aside for the basket. In no time our community will have contributed to supplying enough food to make a struggling families Christmas meals possible.

2018 BOOKLIST PAYMENTS

Thank you to all families who ordered and paid for 2018 Book Packs by 16th November. Your child's name will go in the draw to win an iPad, or \$150.00 worth of stationary. To be drawn on the last day of school.

- **Late Payments:** Late payments can be accepted up to a certain date this year, however you will need to contact the school to put your name on the Late Payment Register.
- If you are experiencing **financial difficulty** and would like to organise a Payment Plan, please call the office by Friday 1st December.
- Considering purchasing your own books: Consult with the school prior to purchasing. Be aware that the school Book Packs have been designed by teachers and are specific to each year level. Parents who purchase books from other suppliers usually find they are unable to get what is on the list, or items are incorrect and not able to be used. The school sources quality items and receives bulk pricing, which is passed onto families. School Book Pack cost \$75.00. If you purchase your own book supplies, the amount of \$105.00 is still payable to the school for Mathematics subscription, Art & Craft materials, Science consumables, ICT consumables and Literacy consumables.

If you have not yet paid, or are considering purchasing your own books, it is important to make contact with the school, as no action may result in your child missing out on a Book Pack, or experiencing delays receiving one next year. Ph. 59900400. Payments can be made over the phone, at the office or sent along with your child and handed to teachers.
