FROM THE PRINCIPAL'S DESK

Hi everyone

Last week the Year 5 students attended the Camp at Phillip Island. Each day I spoke to staff attending the camp and each day I received highly positive feedback from the staff including camp staff highlighting the excellent attitudes, manners and behaviour consistently demonstrated by both groups of students during the week. This is a true reflection of our students who are all to be commended for their attitudes to taking on many new experiences, having fun and showing strong engagement in this extra curricula activity out of the normal school setting.

On Monday Lisa Roolker (Assistant Principal) attended a meeting with State Government officials and local Councilors to officially launch the announcement of Phase one funding for the development of the community sporting complex adjacent to the school. We have been informed the development is to commence next year and will include car parking spaces, sports oval and during Phase two of development, the community recreation buildings. The City of Casey is keen to meet with the school early next year to determine a joint use agreement to access the facility during the recess and lunch breaks and for school sporting and recreation activities. I will keep you posted as developments occur.

Next year the school will be operating on a split timetable. This means the school will in effect operate as two mini schools within the school. The timetable is illustrated below and still allows for students across the school to participate in a common shared recess. The timetable also allows for greater access to playground equipment and play areas. The students continue to have full access to the curriculum timetable and current learning opportunities.

Adopt a family for Christmas - A whole school community appeal

The idea of this program is to make a donation of collected groceries in the form of Christmas baskets, to help local families in need for Christmas. CEPS are once again supporting this appeal together with Bunnings and the Salvation Army.

Please donate non-perishable items. Goods within the Christmas baskets could be used for breakfast, lunch, dinner and snacks. Use by dates must cover the Christmas period and beyond.

When you do your weekly shopping, start adding an extra can of tinned food, box of cereal, bag of sweets etc and put it aside for the Christmas basket.

The baskets will be collected from our school on the 13th December by the Salvation Army and Bunnings then distributed to needy families.

Look out for our Christmas baskets in the Learning Neighbourhoods and watch them grow.

THANK YOU FOR YOUR SUPPORT

Last day for you to contribute to the appeal will be 12th December 2016

Library News

Scholastic Bookclub

Please note there are no more issues of Bookclub for the year.

Overdue Books:

As we are approaching the end of school year we require all overdue books to be returned as soon as possible, in order for us to complete an audit. We currently have over 260 overdue books throughout all year levels. If you have received a notice, please have a thorough search at home, and in the classroom. Notices will still be issued right up till the end of the year. Books can be returned to the library at any time. We wish everyone a happy holiday.

From the Office

Use of Mobile Phones in the School Foyer

Parents are asked to refrain from talking on mobile phones in the front office foyer. This area is part of our front office space. To protect your privacy, and to maintain a professional front office standard, we ask you step outside if you are having a conversation. Parents are asked not to be on the phone when conducting business at the counter.

Early Collection of Students

Parents are asked to contact the school by 3.00pm if you have a message for your child to be delivered by the end of the school day.

Term 4: Hats

Don't forget students are required to wear approved school hats in Term 4 and Term 1. Student hats can be purchased from the official school supplier PSW.

Nut Free School

We support a nut free environment at our school. We ask parents to support the welfare of our staff and students by refraining from providing foods containing nuts to children whilst at school.
