FROM THE PRINCIPAL'S DESK

Hi Everyone

The 2016 School Resource Package (school funding model) has been released which includes the Total Education State equity funding (Gonski funding) to address social disadvantage. The Total Education State funding aims at supporting schools to achieve improved student achievement. The funding allocation is based on parent occupation and parent education with improvement activity structured around four statewide priorities:

- a. Excellence in teaching and Learning,
- b. Professional Leadership,
- c. Positive Climate for Learning, and
- d. Community Engagement in Learning.

Associated with the priorities are six evidence-based initiatives to assist schools utilise the most effective and relevant strategies:

- a. Building Practice Excellence,
- b. Curriculum Planning and Assessment,
- c. Building Leadership Teams,
- d. Empowering Students and Building School Pride,
- e. Setting Expectations and Building Promoting Inclusion, and
- f. Building Communities.

The targets measure excellence in reading, mathematics and science but also encompass resilience and exercise, excellence in the Arts and critical creative thinking skills. The funding will continue into 2017. The school has many of the priorities and initiatives in place and operating effectively, and this will be an exciting time in education and in the school. Further information is available at <http://www.education.vic.gov.au>

Tomorrow we support the Mothers and Babies In Need agency with a dress up theme of Pink & Blue or a combination of Pink & blue with a gold coin donation. We look forward to seeing all students and staff wearing items of pink and blue.

Please note Monday 2nd November is a normal school day and all students are expected to attend school on this day. Tuesday 3rd November is the Melbourne Cup Day Public Holiday and the school will be closed.

Please ensure your child reads every day even on weekends!

Healthy Active Kids

Last year about 360,000 Australian school children participated in the global school Healthy Active Kid's School Program. It aims to improve knowledge of nutrition and increase physical activity in children aged 6 to 16 years. The program was created 16 years ago by teachers in partnership with Australian Institute of Sport and Nestle Australia and has produced outstanding results. Up to 90 percent of children have changed their eating habits, 75 percent try to eat foods from five food groups each day, and kids are coming home asking their parents what to put on the plate.

Healthy Active kids suggest you:

- Let your kids choose their healthy school snacks.
- Have your kids help make dinner. Even young kids can peel carrots or pod peas.
- Explore food from different cultures- it adds excitement.
- Eat dinner at the table (not in front of the TV).

At Cranbourne East Primary School we encourage families to take up the challenge and register online. Find recipes and resources at healthyactivekids.com.au

2016 BOOKLISTS

Next year's booklists were distributed last term and we are accepting payments now. There are only 4 school weeks until the booklist cutoff date - Friday 27th November. **All students who have paid in full by this date will go in the draw to win an Apple iPad. Two iPads to be won!!** If you do not return your booklist and make payment by this date, your child will not receive a school book pack. Spare booklists are available from the office if required. Don't forget... you have the option of either collecting your child's book pack from the gym on 21st January 2016 or having the pack delivered directly to the classroom where they will be ready and waiting for your child on the first day of school. It's as simple as ticking the preferred option on your booklist and returning it with payment.
