Friday 17 th November	2018 Prep Transition Session 9:00am – 11:00am

FROM THE PRINCIPAL'S DESK

Hi Everyone

As you will be aware next Tuesday 7th November is the Melbourne Cup Day Public Holiday. The school will be closed on this day, however Monday preceding Cup Day is a normal school day and all students are expected to attend school – one day missed is one day of lost learning!

School Council Report. At a recent meeting of the School Council the Student Representative Council (SRC) (Student Voice) attended and gave a report on their outstanding achievements including fundraising activities and SRC meetings conducted during 2017. The SRC are to be congratulated on their fantastic achievements. The work of our SRC under the leadership of Miss Hampson and Miss Felmingham is commendable. The Council approved the finance report of income and expenditure for the trading period since the last meeting then approved the parent helpers list. The Council discussed and approved funding the refurbishment project involving the area adjacent to the junior school playground and sandpit. The project involves artificial grass and concrete areas, seating, pathways, established trees and garden beds and mounds. This project is totally managed by the Department and all going well is to commence during this term.

Next week all students in Foundation (Prep), Year 1 and Year 2 will be participating in an exciting morning of Athletics activities.

- a. Year 1 - Wednesday 8th November
- b. Foundation – Thursday 9th November
- c. Year 2 – Friday 10th November

The Athletics activities have been organised by our House Captains and it will be an exciting morning of fun. Students are invited to wear house colours and to support and encourage our students. All parents, friends, grandparents, carers etc are welcome to attend. Full details are on the website and contained in the notice provided to parents and carers.

An exciting whole school fundraising event is on its way – yes, it's the Fluoro Fun Run/Walk to be held on Thursday 16th November. This is an exciting event organised by the Parents Association working in partnership with the school staff. This is a day where we invite students to collect sponsors from family members and friends then come along in fluoro colours and participate in walk and/or run around a designated track on the oval. We invite parents, carers, grandparents, friends etc to come along on the day to support our students. Full information including sponsor sheets and 'do's and don'ts' when collecting sponsors, class participation times etc is on the website and notes sent home to all families. We look forward to seeing our school community attend on the day.

Remember to read with your child on a daily basis.

Kind regards Garry & Staff

From the Welfare Officer

Conversation skills for children: **Talking and Listening**

When it comes to learning about talking and listening the child will learn from their parents. Parents can teach their child by **prompting, guiding and practising**. Children are likely to learn best when they are told clearly what you want them to do. For example you might:

- Prompt your child to say, “**Please say thank you** to Grandma for taking you to the park.”
- Guide your child by saying, Sarah, if I’m speaking to someone you need to say, “**Excuse me**”, and then wait until I am ready to listen.”
- Have **practise conversations** with your child where you take turns to ask questions and listening to answers.
- Encourage children to voice their opinion and that it is important to **listen to others** opinions also.
- **Model good listening**. Children need time to talk and they feel that they have been heard.

Being able to talk and listen to others is important for children. It helps children make friends, be listened to, ask for what they want and mix with others.

A great question to ask your children after school when they get home is “What went well for you today?” This is a **growth mindset and positive approach** which is great real dialogue from your child about what they have experienced through the day.

Extract from Raising Children Network- the Australian parenting website.

Mrs Jones

Assistant Principal / Primary Welfare Officer

From the Library

Mobile Phones

Students are reminded to hand their mobile phones into the Library window in the morning before school, for safe keeping. The students can then pick them up at the end of the day with the tag given to them in the morning.

Remember, School Banking day is every Friday

Mathletics News

In the last two weeks a total of 162 bronze Mathletics certificates were achieved and 28 silver certificates. Congratulations to the following students for earning gold certificates:

Year 1 – Aarav G, Daniel A, Ahaana T

Year 2 – Ekamreet K, Neonika B, Inuka N

Year 4 – Blessing S

Don't forget to log into Mathletics at home:

www.mathletics.com

House Points

This week:

Ruffy	1128
Hudson	3602
Lyll	421
Donnelly	394

Year Total:

Ruffy	6080
Hudson	7982
Lyll	3589
Donnelly	5914

From the Office

Spring has sprung and so has hayfever

Many students are now suffering from hayfever symptoms. The school is NOT able to administer non-prescription Hayfever medication. Parents/carers are advised to administer medication at home before children start the school day.

Student Free Curriculum Day

Please note that the next Student Free Curriculum Day will be on **Wednesday 15th November**. Student Led Parent Teacher conferences will be held this day.

Students Leaving Cranbourne East Primary School

If your child/ren are leaving our school to begin at another school in the 2018 school year or before the end of this year, please notify the office immediately. This affects our teacher and class planning which is now underway.

Booklists

Don't forget Final Booklist Payments are due by **16th November**. If you are experiencing financial difficulty please contact the office to make a payment plan arrangement before the due date. All full payments received by the due date will go in the draw to win a great prize.

Shining Star Awards for 30th October – 2nd November 2017

Year	Shining Star	Award	Year	Shining Star	Award
Prep	Maahir S	For his great participation in swimming.	Year 3	Tiearra M	For her fabulously detailed report on Indonesia!
	Nikeesha P	For gaining confidence at swimming.		Fred K	For his wonderful explanations of this mathematical strategies.
	Mikayla F	For being organised and helping her class mates.		Linaya R	For making a fantastic effort when adding two digit numbers using known strategies.
	Daran S	For trying hard when reading.		Leigh W	For his terrific Information Report on rice!
	Eva E	For always putting her hand up in class discussions and contributing great ideas.		Elisa B	For respectfully sharing her opinions and ideas during our Speaking and Listening discussions. Well done!
	Sammy S	For persevering with swimming and trying his best.		Destiny C	For persistently trying her best during our Maths sessions. Well done Destiny.

Thank you for your assistance with this very worthy cause.

ITEMS STRICTLY LIMITED TO 3 ITEMS PER CUSTOMER. NO EARLY SALES

New star for Cranbourne East Primary school towards sustainability.

Figure 1 solar power fun

We've achieved our Energy star, another milestone in our journey towards Sustainability certification in becoming a Resourcesmart AuSSI Vic School just recently.

To launch our Energy module CERES delivered a very informative and entertaining whole school Incursion- Melbourne Energy Classroom. The presenters enthralled our years 3 to 6 students and Power Rangers excited our P to 2 students as part of our Kickstart program. Energy education

continued in classrooms throughout the year with many different activities focused on how energy is used, how it can be saved, different forms of energy and the importance of knowing about and using renewable sources of energy.

Students have also been recycling with tubs in every learning space, improving on bringing rubbish free lunches and snacks to school and growing great healthy produce to sell to the community in our vegetable garden.

We are well on our way in contributing to and educating about living in a more sustainable future.
