Thursday 25 <sup>th</sup> February	Year 3 & 4 Athletics Carnival
Friday 26 <sup>th</sup> February	Year 5 & 6 Athletics Carnival
Monday 29 <sup>th</sup> February	CSEF Application Forms Due

## FROM THE PRINCIPAL'S DESK

Hi Everyone

Welcome back to school and a special welcome to new families and especially to our Year Foundation (Prep) students who commence their life long journey of learning. A walk around the school highlights the high levels of enthusiasm and eagerness to recommence learning in the new school year.

**Hoax phone calls to Victorian schools:** I am writing to reassure parents in light of the recent hoax threatening phone calls to Victorian schools in the last few days. Our school has not received such a call but I wanted to inform you that, like all schools, we have an emergency management plan in place for situations like this, and we practise it throughout the year. Those schools which did receive a threatening call enacted their emergency management plans and they worked well. The safety and wellbeing of our students is always our top priority. If you have any questions please contact the school.

**New staff:** We also welcome the following new staff to the school: Sam Woods (PE), Emma Brooks (1A), Kellie Murray (2X), Scott Bentley (3B), Synead Smith (3Y), Debora Gupta (3G), Bethany Baillie (4B), Rebekah Bonnamy (4R), Heather Gray (5H), Danielle Arthur (5Z), and Jessica Classon (6C). We also welcome back Mrs Louise Wahid (ICT). Staff team photos are to appear on the school website shortly.

**Parking:** The neighbours living on Bowyer Avenue have requested parents dropping off or collecting children to not park in driveways, block driveways or park on nature strips. We thank parents for supporting the requests made by our neighbours.

**Staff Car Park:** Parents and students are asked not to use the staff car park as a thoroughfare. It is vital we keep the school safe for everyone on site and by using the gates as an entry or exit will certainly support the safety of our school community.

**Bikes and scooters:** Again in the interest of safety for our students, staff and visitors we ask all students and visitors of all ages to walk their bikes, scooters etc while on the school property.

**Exciting start to school:** As part of our 'Jump Right Into School' Program, students have participated in a series of fun and engaging tabloid sports. CERES have also visited our school providing interactive learning experiences and demonstrating renewable future energy solutions to our students. Students in Year Foundation to Year 2 participated in a Power Ranger sessions where they learnt about what energy is and how we use it including making light globes work, playing with the renewable energy doll house and many other energy activities. Year 3 to Year 6 sessions explored renewable energy technologies as students generated their own energy to power light globes and kettles, saw solar panels making electricity to power common appliances and learnt how to be part of the sustainable solution.

Please ensure you read with your child every day even on weekends. It is vital all students attend school every day (unless ill or attending appointments) and are on time to commence their learning (even one minute late is one minute of lost learning).

Kind regards  
Garry & Staff

## From the Welfare Officer

### How Was School Today?

It's a simple question and one that seems to just naturally roll off the tongue when we meet our kids at the end of the day. Regardless of whether we even get an answer to our simple question, it's often a case of school today being anything but simple. What actually happens over the length of a school day is often very complex, with learning, sport, friendships, discipline, the playground, and the contents of the lunch box thrown into the mix. No wonder the answer is often the classic one-liner 'good' or 'fine' or just plain 'OK'. In fact, when we ask 'how was school today?' we're probably using the least effective way to find out how school really was. 'Try asking what was the best part'

### Getting the timing right

School's out, after school care is finished, and the bright-eyed student of this morning is now tired, maybe hungry, possibly needs a drink, and can only think of going home and chilling out. It's been a long day. If school was busy, or we hadn't handed in our homework on time, answering questions is the last thing we'd feel like doing. So as we're now in their shoes, think how nice it would be if the person who was collecting us from school or after school care, just gave us a hug or hello, asked nothing at all about school and took us home to change into more comfy clothes, sit in front of the TV for half an hour, provided a healthy snack, or just left us alone in our room to muck around. Maybe after an hour or so, we might feel like talking about school, especially if the adults around us start to chat about their day and include us in their conversation.

### Making it specific

To re-tell an event, or even put words to memories, requires skills in storytelling. Kids in the early years of primary school may not yet have the attention span or vocabulary to remember, summarise or relate at great length. However, that doesn't necessarily mean that we adults can't encourage and help develop memory retrieval and storytelling by asking specific questions to make it easier for them to explain. Questions could include: 'What did you do that was fun?'

'What game did you play at recess?'

'What did you like best about school today?'

'Did you read any books?'

Kathy Jones Assistant Principal

## From the Office

### Collection Time

If you have organised for an older child from the High School to collect younger Primary School siblings after school, could they please have a suitable prearranged meeting place within the school grounds i.e. students classroom, pirate ship, sandpit. The school office is a very busy place at 3:15pm and is not a suitable meeting venue. We thank you for your cooperation in this matter.

### Dollarmite Banking is Back

School banking is back again for 2016 starting this Friday 5<sup>th</sup> February. Don't forget to bring your completed passbook to school, hand it to your teacher first thing in the morning and then your processed bank book will be returned to you at the end of the day.

If you do not have a Dollarmite Bank account and wish to begin saving pop into the school office for an application form.

### Working With Children Check

In order to gain or retain your approved Parent Helper status at Cranbourne East Primary School, a current Working With Children card is required. Please go online to the Department of Justice website for further information – [www.workingwithchildren.vic.gov.au](http://www.workingwithchildren.vic.gov.au).

If your card has not previously been presented, if you have renewed your card, or if you have received a stamped receipt and are waiting a card and you wish to assist at the school, please present to the school office.

Please ensure that as a part of an application or in relation to an existing card, you have selected the "State Schools (including all primary, secondary, technical and special State schools)" code (46) and that you have nominated Cranbourne East Primary School as the educational institution. It is the responsibility of the cardholder to ensure that these details are correct at all times.

Unfortunately, parents and visitors without a Current Working With Children Check are unable to assist with student-related activities at school.

### Canteen News

New on the Canteen Menu is a healthy, real fruit, light wafer biscuit that is baked not fried. Introducing either the Strawberry or Sultana Snap for only 50c

# Shining Star Awards for 1<sup>st</sup> – 5<sup>th</sup> February 2016

Year	Shining Star Student	Award	Year	Shining Star Student	Award
<b>Prep</b>	Eliza G	For being a great friend and helping others settle in.	<b>Year 3</b>	Jet V	For a confident start to CEPS!

Auslan	Lachlan W 5G	For making a great start to his Auslan in 2016.	Ms Burgess	Trinity C 3Y	For a fantastic start to the school year.

### CEPS PICNIC LUNCH

To celebrate the start of the school year parents are invited to join their children for a picnic lunch on Friday 5<sup>th</sup> February from 1:00-1:30pm.

Meet outside your child's Learning Space to accompany them to the picnic area.  
Don't forget your picnic blanket and lunch to share with your child.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum. CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child. The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

Your child has received an application form today. Applications close on the 29<sup>th</sup> February 2016.
