### FROM THE PRINCIPAL'S DESK

Hi Everyone

As the year draws to a close I acknowledge, and say thank you to all of our students across the school. I express how proud I am of our students for the enthusiasm demonstrated towards their learning, which has resulted in learning growth in all aspects of their education. Walking through the school the powerful levels of engagement and connectedness to being part of the Cranbourne East Primary School learning community is clearly evident.

The home group teaching staff are to be commended for their commitment to the students as they continue to prepare, plan and deliver the very best in learning opportunities through our co-teaching model that we can offer. The productivity of our professional teaching and learning teams is very evident and a unique feature of this school (envied by many local and schools located abroad).

We cannot forget the work of the Specialist staff through their provision of a diverse range of Specialist programs that add value to the achievement and provision of a well rounded education. The students receive the best possible care and assistance and interventions from our Integration Aides who bring their own levels of expertise and experience to support the learning. Our highly efficient and effective office team, consistently provide the best in administration support to school wide functions and operations. I acknowledge all the parents who support the school in a variety of ways from classroom assistance, fundraising, attendance on camps and excursions through to following up the educational programs such as homework and regular reading at home.

Finally, I thank the Leadership team for their outstanding work and support in many areas of school operations. The willingness to go that extra mile to ensure we are constantly improving our teaching capacity, provision of care and ensuring our delivery is consistent with best possible practice in line with world-class pedagogy.

Enjoy a wonderful rest over the coming weeks, enjoy time with your loved ones, take care and travel safe. We look forward to seeing everyone at school on time, on day one of a new and exciting school year. Please remember to continually read with your children.

Kind regards Garry and staff

### THANK YOU TO OUR SCHOOL COMMUNITY-XMAS HAMPERS APPEAL

Bunnings and The Salvation Army wish to thank the Cranbourne East Primary School community for their generous donations to the Xmas Hamper appeal.

The Cranbourne East Primary School communities have been contributing to the baskets, which are located in each of the learning spaces. 26 baskets continue to be filled with a variety of goods. This will enable families to have a Christmas free of financial stress.

Thank you to the CEPS teaching, education support and administration staff who have donated a present to children in the families we are supporting.

Enjoy this time of year. Have a safe and relaxing holiday period.
