Wednesday 21st August	Book Week Dress Up Day
Thursday 22nd – Friday 23rd August	Year 5 Coal Creek Excursion
Friday 30th August	Father's Day Stall

FROM THE PRINCIPAL'S DESK

Hi Everyone
'Your school your say'.
Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training (DET) that is conducted amongst all parents. It is designed to assist us in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The Parent Opinion Survey closes on Sunday 11th August and as of today 78 (5%) of responses have been received. I invite all families to provide input to the survey before closing through the link provided.

At a meeting of the School Council held on Wednesday 7th August the following items of business were discussed:

- The Finance Report detailing expenditure and income, Purchasing Card expenditure and Non Recoverable Expenditure of Essential Items were approved.
- The deposit for the 2020 Year 4 Camp to Wombat Corner was approved.
- The Principal's Report was tabled as presented.
- The mid year Parent Helper's Register was reviewed along with new additions to the register and endorsed.
- The School Uniform Sub-Committee presented recommendations to the school uniform which included:
    - Introduction of a new style waterproof coat,
    - Replacement of the current school jumper to include a zip style jumper with collar,
    - A lightweight school top with House colour beading.

Samples of the new style school uniform are to be displayed at the office shortly. I thank the students in Year 3-6 for completing a survey on their likes, dislikes and recommendations regarding the school uniform. Future work for the School Uniform Sub-Committee include reviewing the Student Dress Code. It is anticipated the new style uniform is to be phased in as early as at the commencement of the 2020 school year.

- The Attitudes to School Student Survey (Year 4 to Year 6) report was presented to school council and it is rewarding to report all domains of the survey have shown improvement. The Attitudes to School Student Survey report is to be included in the next school newsletter.
- The school will be undergoing a review of achievement against the goals and targets contained in the School Strategic Plan. The review which was scheduled for Term 4 has now been rescheduled to Term 1, 2020. The school is to adhere to our current timeline in completing the Pre Review School Evaluation requirements. A majority of the work is to be completed by the staff teams during our Curriculum Day on Friday 16th August.
- The Principal discussed the school completed the DET Financial Attestation which is an audit of all aspect of financial management and compliance and happy to report a 100% achievement rate.
- The City of Casey recently conducted a *Parking Around Schools Safety* forum. The City of Casey continues to investigate the matter of traffic congestion around schools during the peak times. Detailed strategies are to be provided concluding the next forum in September.

Kind regards Garry & Staff

From the Wellbeing Officer

What a fantastic opportunity!

Cranbourne East Primary School has a generous opportunity for students to receive a free check up or a full examination if eligible from the Mobile School Dentist. The van will be coming to the school in term 4. If parents wish to take up this opportunity you are required to fill out the Mobile School Dentist form by 23rd August 2019. If you have any questions please don't hesitate to contact Mrs Turnbull the Primary Welfare Officer.

From the Sports Desk

At Cranbourne East Primary School, we have school camps on offer for students from Years 2-6. Each camp has a different focus or theme and can be something students will remember long into the future.

We believe the importance and benefits school camps offer students are:

- Help develop a student's social skills – school camps offer a great opportunity for students to develop a range of social skills. Camp activities tend to involve team work, which help to strengthen established friendships and create new ones by working with students they don't regularly socialise with at school. During school camps, children have the opportunity to learn about caring, understanding and acceptance.
- Having a strong, positive relationship with their teacher/s can assist in student learning, school camps can help these relationships and give teachers and students an opportunity to get to know each other outside of the classroom. Camp concerts are a great way for students and teachers to work together on a fun project.
- Development of decision-making skills – should I stay up late with my friends or go to bed as I'm tired? School camps assist children to make more of their own decisions and choices.
- To develop independence – school camps can often be the first time a child is away from home for a few nights and are a great opportunity for children to learn independent skills. It's great to see children rise to the challenge and learn to rely on themselves when they spend time away from family and their home.
- Increase environmental awareness. At school camps, students are exposed to real nature-based experiences. Hands-on activities in the outdoors stimulate all senses and help learning. Students become more aware of the environment, develop outdoor skills and an appreciation for nature.

We offer the following camps:

Year 2 – School Sleepover – overnight camp and is held on school grounds.

Year 3 – Briars Outdoor Ed 3-day camp-focuses on Teamwork and Independence skills.

Year 4 – Stringybark Lodge 3-day camp – focuses on Nature and Adventure activities.

Year 5 – Camp Rumbug 3-day camp – focuses on Environmental, Adventure and Teamwork activities.

Year 6 – Woorabinda 5-day – focuses on Sustainable Living, Nature Immersion, Independence and Teamwork.

Mathletics News

In the last two weeks a total of 282 bronze Mathletics certificates were achieved and 63 silver certificates. Congratulations to the following students for earning gold certificates:

Prep	Anmol C, Mohamed E, Sanul N
Year 1	Shiva A, Sahir S, Bhavjot S, Angad S, Sahiru B, Arshia M
Year 2	Hashir B, Shabham K
Year 3	Ridham G, Jasleen G, Addisyn W
Year 5	Alannah F, Summer B

Don't forget to log into Mathletics at home:

House Points

This week -

Hudson	620
Donnelly	560
Lyall	560
Ruffy	540

From the Office

CANTEEN NEWS

Dear Parents

You can no longer place student canteen online lunch orders using Munch Monitors. This is now done using the QKR app.

As Munch Monitors is no longer operational, we advise you NOT to top up your accounts. If you have credit on your Munch Monitor account email a refund request to admin@munchmonitor.com. Allow 14-30 days for processing.

We have been advised there is a high volume of lunch orders being placed on Friday mornings which has caused technical issues. We advise parents to think ahead if possible, and place orders for Fridays during the week or early on Friday mornings. We may not be able to accommodate your orders if you are unable to log on.

For more information please contact the school office 59900400.

LIFE EDUCATION PROGRAM

Healthy Harold is back! All students from Foundation to Year 6 are extremely excited to welcome back the Life Education Van and Harold the Giraffe to Cranbourne East Primary School. The Life Education program is an approach designed to benefit the health and wellbeing of children across the state in a fun and interactive way. Over the next four weeks, all year levels will visit the Life Education Van to further develop their understanding on topics specifically selected by year level teachers.

If any parents or guardians would like any further information regarding these topics please use the following link:
https://www.lifeeducation.org.au/parents/harolds-friend-ship

Shining Star Awards for 5th – 9th August 2019

Year	Shining Star	Award
Prep	Karepa T	For trying his best to segment and blend words accurately.
