Friday 17 th June	Year 2 Community Walk
Tuesday 21 st - Thursday 23 rd June	Student Led Conferences/Parent Teacher Interviews
Friday 24 th June	Last Day of Term 2

FROM THE PRINCIPAL'S DESK

Hi Everyone

As I mentioned on the on-line assembly, new and exciting learning has arrived at Cranbourne East Primary School in the form of the **Lego Robotics Program**

I would like to take this opportunity to thank the school community for the generous donations made to the ICT program this year. Parent ICT donations have allowed the school to purchase both a class set of Lego EV3 Robotics kits, and a set of Lego WeDo Robotics kits.

These devices have ensured that every student can now further develop their coding and programming skills with 'real-life' devices that convert digital commands into physical movement. This in effect is taking learning beyond the screen.

We live in a digital world where computer programs underlie everything from business, marketing, aviation, science and medicine, to name several disciplines. Being introduced to coding gives students an appreciation of what can be built with technology. We are surrounded by devices controlled by computers. Understanding how they work, and imagining new devices and services, are enhanced by understanding coding.

The value to learning that has been provided by your support has changed the way in which we teach, giving every child the chance to participate in the most innovative and 'future minded' curriculum we can provide.

Annual Reporting Meeting to the School Community

On behalf of the School Council an invitation is extended to parents to attend the Annual Reporting Meeting to be held at the school on Wednesday 15th June commencing 7:00pm. This is an opportunity for the School Council to present the progress of the school and its performance against the Annual Implementation Plan during 2015.

A reminder to the school community this weekend coming is the Queens Birthday long weekend. The school will be closed on Monday and we look forward to students returning to their learning on Tuesday 14th June.

Please ensure your child and children read over the long weekend.

Kind regards Garry & Staff

From the Welfare Officer

How to Build Confidence

Confidence is one of the most powerful, and elusive qualities that create success in life. Building confidence means that we develop the courage to try new things. Our first attempt may be feeble but if we persist we often gain a sense of mastery. If however someone rescues us when we are bewildered, we learn that someone else can do what we cannot. This is why rescuing children when they are struggling is toxic to confidence. There are several steps to creating and building confidence.

Trust your child- One of the best ways of communicating your trust is to ask your child for help. Asking for assistance communicates to your child that they are capable and competent.

Live a bold and adventurous life- Do different things, eat new foods, go to different places and try things you wouldn't necessarily have a go at. Encourage adventure teaching safety along the way.

Develop a "yes" bias- This means generally saying "why not".

Little steps lead to giant leaps- If we can't learn to make mistakes we cannot learn to improve.

Build a have-a-go culture- If your child says "I'm not good at Maths", acknowledge their feelings but don't agree with this self-assessment. Ask how they can work on it to make it easier.

Encourage your child to be on a continual treasure hunt- Focus on your child's successes, skills, and abilities. Encourage them to be positive and follow the role model of Thomas Edison who after trying 10,000 times to develop an electric light bulb said, "I have not failed. I've just found 10,000 ways that won't work."

By Andrew Fuller, Clinical Psychologist and Family Therapist.

Kathy Jones
Primary Welfare Officer

Mathletics News

Over the past two weeks a total of 311 bronze Mathletics certificates were achieved and 57 silver certificates. Congratulations to the following students for earning gold certificates:

Year 1 – Zaina, Ethan, Maximillian

Year 2 – Morgan

Year 3 – Nayan, Kara, Aidan

Year 4 – Tara, Samantha

Year 5 – Hansana

Don't forget to log into Mathletics at home:

From the Sports Desk

On Thursday 2nd June some fantastic runners here at Cranbourne East Primary School had the opportunity to compete in Division Cross Country at Casey Fields. We were fortunate enough to have some fantastic weather which made for perfect running conditions, the sun was shining and it was dry underfoot.

Our 9 competitors did exceptionally well at our school cross country and made it through the last round at district cross country back in May.

Everyone represented the school well and competed to the best of their ability. Congratulations to everyone who competed and great work making it this far.

Results:

Alisha R - 23rd

Andrea G - 14th

Sanjay K - 20th

Andria S - 12th

Stephany L - 15th

Brianna B - 17th

Hayley H - 19th

Shay B - 6th- qualified for regional finals.

Gungeet S - 14th

All the Cranbourne East competitors noticed how fierce the competition was and how much the pace had increased compared with the division cross country only a few weeks earlier. It was fantastic to see so many parents and grandparents supporting the students. With students finishing in the top 10 qualifying for the next round, we wish Shay B the best of luck on Thursday 23rd June when he competes at the Regional Finals.

House Points

This week:

Year Total:

Ruffy	195	Ruffy	7695
Hudson	569	Hudson	10820
Lyall	500	Lyall	8020
Donnelly	507	Donnelly	9819

Shining Star Awards for 6th – 10th June 2016

Year	Shining Star Student	Award	Year	Shining Star Student	Award
Prep	Japnaam G	For always contributing during class discussions and showing great listening!	Year 3	Kelsey C	For her positive attitude to her learning and being a supportive friend.
	Shavi K	For showing respect in the classroom and having great manners.		Chad M	For the great effort he puts in to all work tasks.
	Hunter R	For contributing to discussions during café.		Blake Q	For his persistence with his learning throughout the week, especially during Cafe activities.
	Areebah T	For putting a fantastic effort into her literacy learning.		David B	For trying really hard with his Reading. Keep up the great work.
	Alecia Q	For always working hard and trying her best!		Seth T	For doing an amazing job with his homework this week! Keep it up Seth!
	Jannat K	For working really hard to achieve her Golden Words Certificate.		Layla B	For her fantastic question and tally during Maths.
	Ruby G	For demonstrating that she can chunk out unknown words when reading.	Year 4	Chloe H	For her outstanding effort all the time with her work!!!
	Latasha D	For showing great determination to improve her letter and sound knowledge.		Kalys R	Well done on sharing ideas and working with someone new this week in Writing.
	Ashleigh W	For having great manners and a positive attitude.		Kye P	For putting a consistent effort into developing his reading skills this year and achieving a high level.
Year 1	Sehaj K	For a great effort during Big Write this week.	Year 4	Shirlyne B	For receiving his pen license this week. Well done.
	Aum P	For a great start at Cranbourne East Primary School.		Brianna S	For her fantastic presentation in her Inquiry Learning talk!
	Alex E	For a terrific effort at putting detail into her Big Write.		Tylah B	For approaching each day with enthusiasm and a positive attitude. Well-done Tylah!
	Manav J	For improvement in his behaviour. Well done!	Year 5	Kalys R	For sharing ideas and working with someone new this week in Writing.
	Khushi B	For reading so well this week!		Eric L	For his great Writing this term.
