FROM THE PRINCIPAL'S DESK

Hi Everyone

The school is currently undergoing a Peer Review of school's performance against a consistent set of statewide measures about students' achievement, engagement and wellbeing and the productivity within the school. The Review will include a registration requirements check (based on the Victorian Registration and Qualifications Authority minimum standards for school registration). The Review is based on self-evaluation which is an opportunity to reflect on the school's achievements in a systematic and comprehensive way by: conducting a thorough analysis of data from the previous year, recognising and celebrating the school's successes, and identifying areas where the school could focus future effort.

During the Review an analysis is completed on input in consultation with the school community based on data provided from Parent Opinion Surveys and other data including Student and Staff surveys over the past four years. Parents are invited to provide additional written feedback on their opinion of performance of the school and areas for future improvement. While this is a broad request for feedback, all feedback provided will be considered by the Peer Review team.

Invitations to our annual Parent Helpers Morning Tea will be sent home today. The morning tea is recognition of the valuable support from parents to all aspects of school operations including camps, excursions, reading programs etc. Should you not receive an invitation for your contribution to the school, I ask you contact me immediately. The Parent Helpers Morning Tea is to be conducted on Thursday 10th December commencing 11:00am.

Congratulations to our students for their creativity in designing and arriving with Push or Pull Along things, enthusiasm during the Push-or-Pull-a-Thing-Along-Athon and to the parents who came along to support and encourage the students on the day. A special thank you to Mrs Wrigley for her organisation, Miss Roolker, Mrs Klajnblat and Mr Beach who all assisted on the day. A special thank you to the Parents Association for their continued support to the school. The Parents Association will be at school on Monday to count the final amount raised. A reminder there are fantastic prizes for not only the most creative, but also for the highest amounts raised so please ensure all amounts raised are returned to school by the day.

The Parents Association will be presenting an interactive television to the school on Monday, which is in recognition of the fun raising efforts conducted throughout the year. Look for the photo in the next edition.

The Year 5 camp at Phillip Island is well underway with groups crossing over yesterday. All reports indicate much excitement, great activities, excellent attitudes to participation and delicious meals. The group returning yesterday could not contain their excitement and sharing of experiences, especially about the surfing. A special thank you to the staff and parents for the planning and support to this experience, which will be remembered by our students in many years to come. The next edition will contain some photos from the camp.

Remember to read daily with your child, share the love and enjoyment of reading even on weekends. It is vital your child attends school every day (unless ill or attending appointments) and is on time in the learning neighbourhoods to commence their learning.

Kind regards Garry & Staff

From the Welfare Officer

Adopt a family for Christmas A whole school community appeal

The idea of this program is to make a donation of collected groceries in the form of Christmas baskets, to help local families in need for Christmas. CEPS are once again supporting this appeal together with Bunnings and the Salvation Army.

Please provide non-perishable items. Goods within the Christmas baskets could be used for breakfast, lunch, dinner and snacks.

When you do your weekly shopping, start adding an extra can of tinned food, box of cereal, bag of sweets etc. and put it aside for the Christmas basket.

The baskets will be collected from our school on the 9th December by the Salvation Army and distributed to needy families.

Look out for our Christmas baskets in the Learning Neighbourhoods and watch them grow.

THANK YOU FOR YOUR SUPPORT

Last day for you to contribute to the appeal will be Monday 14th December 2015

Office Reminder: Parent Messages for Students

Parents are reminded that phone calls to the office requesting messages be passed onto students should be received by 3.00pm.

The school grounds are monitored by yard duty teachers after school from 3.15pm to 3.30pm daily. If you pick up your child and are running late but expect to arrive at the school by 3.30pm your child will be safe in the school grounds. Please discuss this with your child and have a pre-arranged meeting spot if this situation should occur. Students are not permitted to wait in the school for parents arriving prior to 3.30pm unless there are special circumstances. Any student's remaining in the yard after 3.30pm will be brought inside the school by teachers. Students should not remain at school after 3.30pm unless parents have notified the office and provided an adequate reason. School phones will not be monitored from 4.00 when the office closes. The school's front door's automatically lock at 3.45pm.

If your child is collected by a Secondary College student, please ensure they have a pre-arranged safe meeting place within the school boundary outside of the main building (not in the office). Secondary students are reminded to pick up their siblings promptly.

We ask parents to support the school regarding the above, as messages to classrooms can be disruptive to teaching and learning. Parents are encouraged to discuss and reinforce after school pick up, or after school care arrangements with their child/ren before they come to school.

ICT News

We are an 'eSmart' School

Our school is proud to announce we are now officially an eSmart school.

Since we first registered with the program, we have introduced many new policies and activities to improve the way our school manages cybersafety, bullying and cyberbullying.

We feel confident our students, staff and the wider school community are now well supported to be smart, safe and responsible users of digital technology.

We encourage everyone in the school community to continue to uphold and promote eSmart behaviours, at school and at home. If you are aware of any incidents of bullying, cyberbullying or risky online behaviour, please contact the Principal or our eSmart coordinator.

Students: Late Arrivals

Students who arrive at school after 9.00am must report to the school office and be issued with a "Late Pass" by administration staff. If the late student is accompanied by a parent or has a written note, they will be marked as an "Approved Late Arrival". If approval is not received, a computer generated letter will be sent home notifying parents of the late arrival and requesting a signature of approval.

If a child arrives at school before 9.00am they should go directly to their classroom to be marked present on the attendance roll by their teacher.
