

Cranbourne East Primary School

Year 6-7 Transition Activities

Thursday 17th May 2018

Dear Parents/Guardians,

This Term, the Year 6 students have begun participating in activities in preparation for their transition from primary to secondary school. At Cranbourne East Primary School, we have the opportunity to work closely with Cranbourne East Secondary College to assist our students with a smooth transition to their secondary school.

The following activities will be taking place in the next few weeks:

- Tuesday 22nd May – Year 7 Student Leaders to come and engage in a question and answer session with our Year 6 cohort about their experiences when starting secondary school.
- Friday 15th June – School Tour of Cranbourne East Secondary College run by Year 7 teachers and Year 7 students. After the tours, the Year 6 students will write letters to a Year 7 'Pen Pal' and receive an answer to their letters in Term 3.
- Friday 22nd June – Year 6 students invited to attend the Cranbourne East Secondary College Multicultural Assembly.

Whilst we understand that not every Year 6 student will be attending Cranbourne East Secondary College, we expect that the students will gain a great deal from participating in these activities, as it promises to be an interesting and worthwhile experience.

If you have any questions or require any further information, please see your child's Home Group teacher.

Kind regards,

Year 6 Teachers
