

Cranbourne East Primary School

Year 6 Graduation- Dietary Requirements

Dear Parents,

For Year Six Graduation, students will be sharing a sit down meal together to celebrate their achievements at Cranbourne East Primary School. Students will have the option of eating a beef or vegetarian Lasagne with a selection of salads – please indicate your child’s preference on the form below.

If your child is unable to eat any foods due to allergies, dietary requirements or religious reasons, please return this form with the products named so alternative food can be provided.

If you require further assistance please contact your child’s Year Six teacher on 5990 0400.

Regards,

Mitch Welsh

Year 6 Team Leader
